Choral Workshop: Sing Gloria 2016

The **Sing Gloria 2016** workshop will be held at St Mary's Northchurch on Saturday July 23rd. Our musical director will be local choral director, composer and pianist Richard Grylls and our accompanist will be Ken Martlew, formerly musical director of St Mary's Hemel Hempstead. These two capable musicians will guide the massed choir in exploring, hopefully perfecting and then performing Vivaldi's Gloria in D, the Easter Hymn from Mascagni's opera Cavalleria Rusticana and Parry's magnificent anthem 'I was glad'. A number of other works will be explored during the workshop and if deemed worthy will supplement the main choral works at the evening 'performance' to family, friends and other supporters.

Timings: Doors will open at 1.00pm and the workshop will run from 1.30-5.30pm including breaks. At 6.30pm there will be an informal concert open to families and friends. The cost of the workshop is £15 per person, which includes all music hire, afternoon refreshments and supper. Accompanied children and students may attend the workshop FREE but please do book in the normal way. For those attending the

concert and supper only, a donation of £5 is suggested. St Mary's continues to have a number of pressing financial needs which all profits will go towards.

Parking: The school playground to the rear of the church accessed via New Road will be available for car parking (and disabled access) and the parish rooms with toilets are adjacent to the church.

Booking: PLEASE ensure you book your place by July 1st as a large number of scores will need to be hired for the day. All bookings and further enquiries by email to music@stmarysnorthchurch.org.uk

Please state your voice part and whether you are bringing supporters for the evening events to allow us to cater for all.

Homework! A pre-rehearsal will run on Thursday 21st July at St Mary's church from 8-9.45pm. This will be a **free** event and will allow you to get a head start on learning any new works and collecting your music for 48 hours of private study. No booking required! Just turn up during the evening. Car park and toilet facilities will be open.

THE GREAT WAR 1914 - 1918

Private 2401 Lionel MORGAN

1st Hertfordshire Regiment

Died 12th June 1916

Lionel Morgan moved to Northchurch as a young boy when his father started work as a labourer at Norcott Hill Farm. When he was 18 Lionel enlisted with 1st Battalion, Hertfordshire Regiment, a Territorial unit, and was enjoying his first Annual Camp in Ashridge when war broke out in August 1914. At this time, no Territorials could be compelled to serve overseas, but they could volunteer and if more than 80% of a unit volunteered, and they proved their proficiency, they could go as a unit. Lionel and most of his unit volunteered and he was sent to France the following November.

Lionel saw action during the First Battle of Ypres later that month the battle that stopped the Germans reaching the Channel Ports. The following year he took part in the Battle

of Loos during which chlorine gas was used by the British for the first time.

Lionel was to remain there in the same area for the next few months alternating time in the trenches with rest period in billets or training around the town of Bethune.

On 9th June 1916, three days after returning to the front line, Lionel was admitted to No33 Casualty Clearing Station at Bethune with serious wounds, probably caused by artillery fire. Three days later he received Holy Communion from the Hospital Chaplain and passed away peacefully at about 10.00. Lionel's burial took place at the Bethune Town Cemetery the following day.

Seven weeks later, Lionel's elder brother Edwin, who was in France with 2nd Battalion, Bedfordshire Regiment, was to die during the Battle of the Somme.

Sin

Some Christians talk a lot about sin and non-Christians tend to think that this is a rather negative way of thinking about individual behaviour. There are sins of omission (not doing the good that you could) and sins of commission (where you deliberately do bad things to seemingly benefit yourself). The Apostle Paul gives lists of the second kind of sin: *'immorality, covetousness, idolatry, reviling, drunkenness, swindling'* (1 Corinthians 5, vs.10-11); his list in Galatians 5, vs.19-21 adds *'impurity, sensuality, sorcery, strife, jealousy, outbursts of anger, disputes, dissensions, factions, envyings, carousings'*, and he goes on *'those who practise such things shall not inherit the kingdom of God'* and *'such were some of you, but you were washed and justified in the name of the Lord Jesus Christ and the Spirit of our God'* (1 Corinthians 6, vs.11)

Paul's aim was to get people to re-direct their lives along 'Jesus' lines with standards which enable God to forgive the sins which they will inevitably commit.

We don't earn a place in the Kingdom of God just by virtuous conduct, but we can lose a place if we are not covered by Paul's other list of what God does expect of us as representing evolving growth from our baptism into Christ onward. These positive qualities are described as the fruit of the Spirit and they comprise *love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control* (Galatians 5, vs.22-23). Progress in the qualities of this positive list can be pleasing to God and lead to a place in his kingdom.

HELP WITH PROBATE & ESTATES, WILLS and POWERS OF ATTORNEY

Did you know that it can easily cost £2,000 or more in solicitors' fees – typically at £200 or more an hour - just to obtain a Grant of Probate, even for a fairly simple case? Yet the legal fact is you don't need a firm of solicitors either to apply for the Grant or to administer an Estate.

I have 27 years' experience as a Probate & Trust Manager, mainly with central London solicitors, and can assist you with each and every aspect of applying for the Grant of Probate and administering the Estate, including completion of the compulsory Inheritance Tax forms - all for around a quarter of normal solicitors' fees.

Whatever stage the Estate has reached - even where there is no Will - if you need assistance at reasonable rates and are in Northchurch, Berkhamsted, Tring or surrounding villages, please call or e-mail me for further information.

I can also prepare Wills and Lasting Powers of Attorney at very competitive rates and home visits can be arranged.

Appledown Rescue's Dog of the Month

Ruby is a collie cross whippet and is less than one year old. If you look very carefully at her photo you will see that she has only three legs. One of her hind legs was removed due to an injury but she copes brilliantly and it really doesn't hold her back! She is a real little bundle of joy, bright and affectionate.

If you could offer Ruby, or any of our other dogs a loving and secure home, please call in at the kennels any day between 10 a.m. and 4 p.m. or call for more details. Please note that there are restrictions on rehoming adult dogs to families with children under seven years of age. Full details of the rehoming process can be found on our website.

Nick Laing ran the London Marathon

I can't quite work out where to start.

I got accepted by VICTA and so it began...
Approx 340 miles over 16 weeks training...
Food planning...
Carb loading...
Starting the day in sleet and rain...
It was only a marathon...
I let the over-excited starters overtake...
I tried to smile at the spectators...
And loved hearing them shout me on...
I searched for my family amongst them...
Thrilled when I found them...
Do I stop for a toilet break...?
Will I be able to get going again, if I do?
Just how many discarded bottles of water
& Lucozade Sport is that...
Overtaking the 'over-excited', now walk-
ing...
Lord, it hurt at 23+ miles...
But not enough to stop...
4Hr 37mins 37 secs....
I can't quite believe it's all over...
Apparently I'm one in a million...
I think I actually enjoyed it...
Never again...

Alison and the children have been immense, Alison will never know how much it meant to me to have that unconditional support.

Thank you, everyone, for the donations and advice (Simon J, in particular), Cliff and Liz for the constant confidence building.
I'm welling up more writing this than I did before, during or finishing the run!
