

# ST MARY'S CHURCH NORTHCHURCH FLOWER GUILD

## A GUIDE TO FLOWERS FOR YOUR WEDDING

The Flower Guild is able to offer arranging both pedestal and pew ends for your wedding, either using flowers provided by you or by your own florist or purchasing the flowers for you.

A popular choice is 2 pedestals (sited either side of the altar), and arrangements on alternative pews, but there is no “minimum” requirement. Equally, any additional pedestals and/or pew ends or any other arrangements can also be provided.

If you are purchasing your own flowers, the following may be helpful:-

**Each pedestal** will need tall flowers such as gladiolus, delphiniums, roses, carnations, stocks, lilies, chrysanthemums etc. and we would suggest the following combinations:-

5 – 7 eg gladiolus or delphiniums

10 large flower blooms – eg roses, carnations, lilies, chrysanthemums

Plus gypsophila, and foliage – eg eucalyptus, pittosporum, ferns or florists' foliage

Ribbon (if required) – 1.5 metres

**Each pew end** will need the following quantity:-

1 stem of eg chrysanthemum

2 stems of eg carnations

A sprig of gypsophila, ivy and other small foliage

Ribbon (if required) 0.5 metre

## ***COSTS***
