What we can do for you...

When choosing your colour scheme for your Wedding day, think of the flowers that would be seasonal at that particular time of year. This will ease the cost of your total flower budget and allow you to have bigger displays if you want them. Seasonal flowers can often be a lot more economical to buy, than ones out of season.

We are here to guide you before you order from the florist of your choice, so you get exactly what you would like.

Most florists like at least one week advance notice for Wedding orders.

All your decisions combined with our efforts will leave you with a satisfactory finished Church display on your Wedding day.

Alternatively, if you feel you would rather leave the organising of your flowers to our flower guild, and just choose your preferred colour for the day, then this would cost £175.00 and leave you with no problem of choosing which flowers to use for what. This cost would include ten pew ends and two pedestals.

HOW MUCH DO I NEED FOR EACH PEDESTAL AND PEW END?

Each Pedestal will need tall flowers such as Gladiolus, Delphiniums, Roses, Carnations, Stocks, Lilies, Chrysanthemums, Gerberas etc.

We are suggesting the following combination:-

5–7 Gladiolus or Delphiniums

10 Large flower blooms. Roses, Carnations, Lilies, Chrysanthemums, Gerberas, also Gypsophila, or any other of your choice.

Foliage: Conifer, Large shrubs, ferns or florist foliage.

Ribbon (if required) 1.5 metres.

Don't forget to multiply these quantities by the amount of pedestals you require.

Each Pew end will need the following quantity:-

1 stem of Chrysanthemums.

2 stems of Carnations.

A sprig of gypsophila, plus Ivy, and other small foliage.

Ribbon (if required) 0.5 of a metre.

HOW MUCH IS THIS GOING TO COST?

Our flower arrangers give their time freely to all who marry at St Mary's Church. A charge is made purely for the upkeep of flowers in the Church throughout the year.

£15.00 for each Pedestal required and £3.00 for each Pew end required.

Please make Cheques payable to:-
St. Mary's Northchurch Flower Fund
