THE WAY INN & OPEN DOOR

“Thanks be to God for all the love and support we have received over the time of Lockdown. We ask God for his help in recruiting workers for His work in the community at large and for His guidance as we step back into 'normal' working routines. May we all continue to work together with love and cooperation as He has shown us.”

PRAYER

BREAKFAST

Praying for the town and surrounding villages

APRIL/MAY 2021

Answer me when I call,
O God of my righteousness!
You have relieved me in my distress;
be gracious to me and hear my prayer.
Psalm 4:1

BBC

"We **give thanks** for God's protection and provision as we trust in Him in our search for a new Minister. As we live together in the Good News of the risen Christ may we continue to reach out to those in need within the community around us. As some of the restrictions are lifted, may we always remember the safety of those around us. We **pray** for all who are suffering the consequence of Covid-19."

NBC

"Dear praying friends, please **pray** for us at NBC as we continue to walk in mission and Ministry here in the town and villages. We are looking to prayer walk during the Thy kingdom come week with other churches, we are reopening our building for services this next week, and seeing how we can connect the lost the lonely and the loathsome with garden gatherings and meet ups. We **give thanks** for new staff and new vision. God bless you all"

ST MARY'S

Pray that more people will come back to church now that services have resumed.

Give thanks for the generosity of donors who are ensuring that the Parish Pantry continues to be well supplied.

Pray for the appointment of a new organist now that Jenny Hoare has left.

ALL SAINTS

"Please **pray** for God's guidance on the future use of our building, bearing in mind our ecological responsibilities."

SACRED HEART, BERKHAMSTED & CORPUS CHRISTI, TRING.

"Almighty Father, we ask for a spirit of patience, perseverance and courage as we walk as people of the light and give witness to your beloved Son, our Risen Lord Jesus. Keep us strong, keep us safe, keep us well. Amen"

ST PETERS'

"We **pray** for the children, teachers and staff of our Parish Schools, as they return after the Easter holiday. We **give thanks** for our local businesses and we **pray** for the safety and wellbeing of their staff as they reopen."

KINGS ROAD CHURCH

"**Give thanks** for God's wonderful goodness to us and pray that as part of the body of Christ, the Father would show us how he wants us to fulfil in the boundless power of the Spirit the mandate (Isaiah 61:1-3) he has in Christ given us; with the Spirit and the word in glorious harmony and driven by the Father's compassion. We **pray** that God will give us wisdom as we respond to the easing of lockdown."

GIDEONS

"We give our Lord praise and glory because we have another school requesting New Testaments, they have requested 250 NTs for distribution to their pupils.

We are really thrilled as a local group to be able to supply these NTs.

Please **pray** for the pupils that they will be able to read and understand.

We **pray** that His amazing love will be showed on them...

Thank you for your prayer support."

HOSPICE OF ST FRANCIS

"Staff have now had both their vaccines and things feel better.

Please **pray** that those who work with our patients and their families would have the energy they need.

Pray for non clinical staff and volunteers who are coming back to the building.

Pray for continued wisdom for our leadership.
