# PRAYER BREAKFAST

**January/February '23**

**Lord Jesus Christ,  
Light of all nations and glory of Israel  
Make your home among us,  
and present us pure and holy  
to your heavenly Father,  
Your God, and our God.  
[Collect for the presentation  
of Christ in the Temple]**

# Welcome! We're glad you joined us !

## **BBC**

"We give thanks for the connections made with our local community over Christmas. Please pray for clarity and wisdom as we seek God for guidance on what the church is being called to in this next season, and that all we do will be built on a solid foundation with our eyes fixed on Jesus. Please pray for opportunities for us to offer hope to our community in these difficult times."

## **HOLY TRINITY**

"We pray for our new Warm Space initiative that connects both Tuesday Gathering (stay and play) and Tuesday Lunches. We pray for all those who will come, for fellowship, warmth, welcome and refreshment, especially those who are struggling to heat their homes. We are thankful to our volunteers, many of which coming from the wider community. We pray that this space is a chance to unite our village across the generations in support, care and love."

## **SACRED HEART**

Please pray for Father Joseph, their new parish priest, as he takes up his role in Berkhamsted.

## **NBC**

"Please pray for us, as we continue in the ministries amongst young and old here in Northchurch, as we wrestle with challenges faced and help people explore faith in Jesus Christ. This Sunday [22nd], we have dedication of children in the morning, and baptism of believers in the afternoon, a full and rich day of celebration and reformation theology."

## **KINGS ROAD CHURCH**

"Give thanks for the Christmas services and for signs of growth and pray that we may be able to discern what is best and may be pure and blameless for the day of Christ."

## **ST JOHN'S, BOURNE END**

"We give thanks for those who care for our churchyard and pray that even more people will find peace when they visit."

## **SUNNYSIDE**

"We give thanks for the successful start to a new term for Messy Babies and pray that we would be successful in appointing the staff we need."

## **ST MARY'S**

"Pray that the Warm Spaces in Northchurch and lunches on alternate Thursdays will be a blessing to both the church and those who come to find a warm place to eat and chat. Pray for the PCC meeting on 25 January and especially how to make steps towards making St Mary's an eco-church. Pray for a new organist."

## **ALL SAINTS'**

"We give thanks for the opportunities to speak of God that we had during the Christmas period. Please could you pray for the Coffee, Chat and Toddlers on a Tuesday morning and the monthly Messy Church, that others might see and want to join in."
